

With this letter we're starting a new initiative - the **FRIENDS OF HUSSARS** promotional campaign. This is a partner program aimed at individuals who are concerned about the fate of the Poznan Hussars and the lacrosse community. As you may know, the Poznan Hussars Sports Club is not an association of ordinary people. Our players and members are people with a passion. Completely devoted to what they do, ready to sacrifice for the good of the team and athletic competition, and proving everyday that lacrosse can be a way of life. By joining this program you become an indispensable part of the team - official **FRIENDS OF HUSSARS**.

We want to gather as many permanent sympathizers as possible. **FRIENDS OF HUSSARS** participants will receive regular newsletters with the latest information, highlights as well as invitations to lacrosse events and their identity will be displayed on the club's website in the **FRIENDS OF HUSSARS** section. In addition, every one of our 'friends' will receive a gift basket with limited series promotional items.

Proud **FRIENDS OF HUSSARS** will be able to support us by sending 100 USD annually to a special club development fund. This fund was created with the purpose of ensuring a proper equipment and training resources base, which will allow us to expand our activities and reach an even larger number of youth. You may join this program at any time. Every person and picture included in their application will be displayed on our website. There is also the option of having the status of so-called anonymous friend. Please direct your application and confirmation of payment to our special email address: przyjaciele@poznanhussars.pl
